

Exercise in brickwork - Jim Petersen of Kinatader Masonry Inc., Waukesha, positions a brick as he performs exterior work on the east elevation of the new gym under construction at Brookfield East High School in Brookfield. The gym, which is scheduled to be ready for the start of the volleyball season in August, is part of a \$62.2 million remodeling of high schools in the Elmbrook School District that was approved by voters in a 2008 referendum.
